

Hemyock Parish Council
Annual Meeting of the Parish Council
held at Blackdown Healthy Living & Activity Centre, Hemyock at 7.30pm on 6 August 2025

Present

Councillors P Doble (Chair) Atkinson, Parish, District & County Councillor Clist, A Doble, Povah and Ward together with Mrs S McGeever (Clerk).

Councillor Doble opened the meeting at 7.30pm.

1. Apologies for absence

Apologies had been received from Councillors Moon, Summers and Talbot.

2. Declarations of Interest/Dispensations

Councillor Clist as a member of Mid Devon District Council and Devon County Council chooses not to participate in any planning application consultations.

3. Public Participation

Members of the public raised the following points:

Planning Application 25/00881/OUT

Comments included:

- the location of the development adjoining the cemetery and close to the school
- site within the Blackdown Hills National Landscape
- the access to the site due to the inadequate visual splays
- the potential timescales for completion given it was for self-build or custom-built houses and thus the continued disruption to residents
- affordability
- the ecological offset or Biodiversity Net Gain should be on site or within the parish

Grant applications

The grant application from the Parish Hall for short bowls was withdrawn as funding had been obtained from other sources.

Speeding

The Community Speedwatch group were doing a great job but it did not stop people speeding and there was concern someone would be killed or injured.

Road Markings

The road markings in Station Road were inadequate and people could not see them.

Cemetery

- The trees had been cut down and it was confirmed the stumps would be ground down.
- Land drains were showing in the extension area as the ground dried out and depending on the depth may compromise which areas could be used for burials.
- In the corner of the old fence was a large manhole which could be a main sewer to the Cavanna homes which may again compromise which areas could be used for burials.(South West Water)
- A telegraph pole had been moved and this had been cut off and was sticking out the ground and needed to be dug out. (National Grid)

4. To approve the minutes of the meeting on 25 June 2025

PROPOSAL: The council minutes of 24 June 2025 are approved as a true record of the meeting.

PROPOSER: Councillor A Doble

SECONDER: Councillor Ward

It was RESOLVED by those who had been present at the meeting that the minutes were a true record of the meeting, and they were duly initialled and signed by the Chair.

5. Chair's Announcements

The Chair thanked Mr A Brooke for his work on the Longmead Pavillion.

The Chair congratulated Councillor Ward on his nursery's Silver Award.

6. Finance

The Parish Council noted the financial information provided by the Clerk:

6.1 To agree income and expenditure and bank reconciliations:

The information provided reflects the bank transactions to 30/6/25. An update will be made at the meeting to cover payments/receipts to 31/7/2025.

INCOME (to 30 July 2025)

	June	July
Account ending 1298	0.00	0.00
Account ending 1308	7.68	0.00
Account ending 1311	4.43	0.00
Account ending 1324		
Pizza van	20.00	20.00
Interest	854.94	

Transfers from deposit account to current account:

£10,000 on 1 June 2025 and

£10,000 on 6 June 2025 and

£15,000 on 4 July 2025 and

£10,000 on 30 July 2025 Total £45,000

17.	33.30	S Doble	Hemyock Fete/Day supplies from Amazon
18.	16.00	BHLAC	Meeting room

Following discussion, the following proposal was put forward:

PROPOSAL: The payments as listed above be paid in full.

PROPOSER: Councillor P Doble

SECONDER: Councillor A Doble

It was RESOLVED that the payments be made.

Bank Reconciliations

The bank reconciliations for the Unity Trust Bank were as follows:

Bank account	Closing balance 31/05/2025	Monies in	Monies out	Closing balance 30/06/2025
Unity Trust Bank current 298	8692.48	20000.00	22170.42	6522.06
Unity Trust Bank deposit	151803.89	874.94	20000.00	132678.83
Unity Trust Bank GF	757.74	4.43	0.00	762.17
Unity Trust Bank P3	1312.23	7.68	0.00	1319.91

Bank account	Closing balance 30/06/2025	Monies in	Monies out	Closing balance 31/07/2025
Unity Trust Bank current 298	6522.06	25000.00	16904.14	14617.92
Unity Trust Bank deposit	132678.83	20.00	25000.00	107698.83
Unity Trust Bank GF	762.17	0.00	0.00	762.17
Unity Trust Bank P3	1319.91	0.00	0.00	1319.91

The details for all bank accounts were as follows:

HSBC Comm Acc	£317.72
HSBC Deposit	£98,574.34
United Trust Bank	£85,479.93
Unity Deposit	£107,698.83
Unity GF	£762.17
Unity P3	£1,319.91
Skipton Building Society	£91,385.54
Unity Current	£14,617.92

Nationwide Instant Access	£5,210.41
Nationwide 35 day	£85,235.21
Cambridge Building Society	£83,567.14
Total	£574,169.12

The Clerk had also circulated the reserve totals as the majority of the funds listed above had been allocated to projects that were either being undertaken by the Parish Council or were projected to take place within the next five years which meant that disposable funds were limited.
(The Reserves are shown as an attachment to these minutes.)

The Clerk advised that all information had been sent to the external auditor.

Councillor Clist advised that the Local Government Reorganisation may require the Parish Council to employ the Clerk for more hours and to employ experts on matters such as planning.

It was noted that the long-term deposit accounts provided interest on a yearly or two-yearly basis with the exception of HSBC and work was ongoing to acquire online banking.

The bank reconciliation report (all accounts) had been prepared in Scribe for April 25, May 25, Jun 25 and July 25 and were duly signed by the Chairman.

A three-month and a four-month budget report had been circulated to Parish Councillors for review prior to the meeting. The figures were noted and

6.2 To receive an update on the application for bank cards (Financial Regulations)

The application had been submitted but it had been advised that it could take up to six months.

6.3 To receive an update on the change of key contact for Unity Trust Bank and changes for other bank accounts

Given that Councillor Talbot was not present at the meeting, the signing of the documentation to change the bank mandates would be actioned at the September meeting.

6.4 To receive information on S106 monies

No update had been received on potential S106 funds.

6.5 To receive information on the MUGA refurbishment

Councillor Summers had submitted a proposal that the Parish Council should take monies from the Reserves to pay for the MUGA to be refurbished having noted that funds had not been set aside for such refurbishment.

The football teams need the MUGA for winter training and the surface was deteriorating and presenting safety issues.

Travel to and from an alternative facility in Wellington would have a detrimental effect on the youth football teams which currently had over 100 children registered with 5 different age groups playing.

The MUGA was a valuable asset to the village but the cost of refurbishment was between £60-70,000 for a 2G surface and given the short timescales being requested, there would not be time to access grants and grants were not issued respectively.

The Parish Council recognised that the work on the MUGA was required for health and safety reasons but required more information to make a decision. The 2G surface was an upgrade to the original surface and for this reason, the Parish Council requested that three quotes (two had been received) for the 2G surface and one quote for replacing the surface with the existing service be taken to the Finance Committee to bring a proposal to the Parish Council.

It was understood that the 2G surface was guaranteed for 25-30 years but that it would require maintenance throughout the year. As with all artificial surfaces, there was a risk of friction burns.

Councillor Summers proposal was to solely use Parish Council funds without looking for sources of funding albeit that the clubs using the MUGA could fundraise going forward and look at the various smaller funding pots.

Councillor Clist felt it was necessary to show that due diligence had been carried out and the final decision minuted in such a fashion that should the External Auditor raise queries, the Clerk/Responsible Financial Officer could explain such a large, unbudgeted expenditure.

Councillor Povah undertook to obtain a quote for replacement of the existing surface.

6.6 To receive requests for grants

The request for a grant from Hemyock Parish Hall (Short Bowls) had been withdrawn.

7. Planning

7.1 To consider the following applications:-

The Clerk advised that no applications for consideration had been received in time for this agenda.

25/00881/OUT

Proposal: Outline application with all matters reserved, other than the point of access for the erection of up to 9 self or custom-build dwellings

Location: Land at NGR 313524 113461 Culmstock Road Hemyock

Site Vicinity Grid Ref: 313521 / 113463

Parish: Hemyock 26

[25/00881/OUT | Outline application with all matters reserved, other than the point of access for the erection of up to 9 self or custom-build dwellings | Land at NGR 313524 113461 Culmstock Road Hemyock Devon](#)

[25_00881_OUT-Application_Form-2152266.pdf](#)

The Parish Council had received an extension to 8 August 2025 to submit its comments.

Councillor Povah noted the comments made in the public forum and the 26 objection comments on the planning portal.

The following concerns were raised:

- outside the curtilage of the known village and is an inappropriate place for development
- located in the Blackdown Hills National Landscape.
- the proposed exit and entrance does not appear to provide for an adequate visual splay
- access for site traffic and timings given the proximity of the school
- DCC Highways objected as no swept path analysis for large vehicles.
- the width available between the cemetery wall and the kerb on the opposite side of the road is actually 5.7m and the drawings indicate a 5.5m wide highway plus a 1.2m wide footway. This means that it is impossible to provide the necessary visibility splay when looking west from the proposed access road. DCC Highways have not checked that this is the real situation. It is important that they do this check and adjust their advice
- drivers exceeded the 20mph designated road speed
- the Parish Council noted the Arborist report which states 'The proposed access road and footpath will encroach into the root protection areas of three retained trees and groups (T11, G13, G14). From the plans and report it is unclear of the level of incursion. BS5837:2012 provides guidance informing up to a 10% incursion shall be often acceptable. A 10%-20% incursion may be acceptable but should be carefully considered, and an incursion of greater than 20% is typically not acceptable.'

- the development did not meet the local housing needs of rental and affordable housing.
- the houses appeared to be detached and a minimum of four bedrooms
- possible historic findings
- the buffer zone with the stream (Environmental Agency refers)
- time-scales give the plots were self-build or custom-built
- Biodiversity Net Gain should not be outside the village.
- the need to retain access to the cemetery extension (as confirmed by the applicant)

Following discussion, the following proposal was put forward:

PROPOSAL: The Parish Council is not content with this application and the Clerk should prepare and circulate a response covering the points raised in the Public Forum and by Councillors

PROPOSER: Councillor Atkinson

SECONDER: Councillor Povah

The Parish Council RESOLVED that it was not content with the application.

Councillor Clist did not vote.

Given that MDDC were in tilted balance, a further proposal was put forward:

PROPOSAL: If MDDC were mindful to approve the application then the Parish Council would wish to ensure that the harm versus benefit equation ensured that access to the cemetery was preserved and Biodiversity Net Gain benefited the village. This could involve the adjacent Open Space.

PROPOSER: Councillor Atkinson

SECONDER: Councillor Ward

The Parish Council RESOLVED to support the proposal.

Councillor Clist did not vote.

The Clerk would include this in the response being written and circulated to councillors.

25/00900/HOUSE

Proposal: Erection of extensions following demolition of detached single garage and extensions

Location: 5 Redwood Close Hemyock Cullompton

Site Vicinity Grid Ref: 313740 / 113219

Parish: Hemyock 26

[25/00900/HOUSE | Erection of extensions following demolition of detached single garage and extensions | 5 Redwood Close Hemyock Cullompton Devon EX15 3QQ](#)

Following discussion, the following proposal was put forward

PROPOSAL: The Parish Council has no objection to this application

PROPOSER: Councillor Atkinson

SECONDER: Councillor Ward

The Parish Council RESOLVED that it had no objection to the application.

Councillor Clist did not vote.

7.2 To receive the following decision notices/appeal decisions:-

The following decision notice was noted:

25/00723/FULL – APPROVED – 16 July 2025

Proposal: Erection of a roof over existing silage clamp

Location: Land and Buildings at NGR 313198 111098 Collard Hill Farm Blackborough

7.3 To receive information regarding enforcement issues:

ENF/23/00164/COU – 13 July 2023

Re: Conversion of barn to dwelling
Shuttleton Castle Hill Hemyock

ENF/23/00214/BRE – 30 August 2023

Re: Home office used as living accommodation
Ploversfield Culmstock Road Hemyock

The Clerk advised that no update had been received.

On conclusion of the planning discussion, Councillor Clist advised that under the new National Planning Policy Framework, it would become increasingly difficult to call applications in to be heard by the Planning Committee. Given that these were self-build/custom-built building plots, it was important that the self-build register was up-to-date and the properties had a degree of affordability.

8. Asset Management Reports

The Parish Council noted the Clerk's report:

Update on the setting up of a working group to assess all assets.

Peta Dayus-Jones (BHLAC) and Andy Brooke (Longmead) and Karen Pinder (Garages) have agreed to join the working group.

A meeting date is required.

8.1 Longmead

Members of the Parish Council met with the Longmead Committee. A financial review is underway to understand the responsibilities of the Longmead Committee and the Parish Council. It is clear that the income currently generated does not cover the running costs of Longmead.

Grass cutting at Longmead

Direct Debit mandate set up.

Play Park inspection

The Play Park inspection report has been forwarded to Ian Pike for review.

Repairs are required to some equipment.

Improvements at Longmead

Planning application for a Certificate of Lawfulness ongoing.

The planned improvements are almost complete.

The building failed its electric test and further electrical work is required. Costing awaited.

Moles

Contractor contacted.

8.2 War memorial

Works complete and invoices settled.

8.3 Cemetery

Fencing

The fencing at the cemetery has been completed and Councillor A Doble would be removing the old railings.

Trees

As reported in the Public Forum, work on the trees had started.

Spoil Tip

Spoil tip also needs to be removed in due course

Bier House

Meeting of Parish Councillors to decide works was required.

Path to extension

This will be required during the course of the next 12 to 18 months at current burial rates.

Moving to online records

Miss Lawrence had provided the Clerk with photographic records of the old cemetery books.

In the first instance, these records would be put onto a spreadsheet by volunteers to assist in managing the cemetery.

The use of the Scribe package would be assessed following completion of the transfer to electronic records.

Matters raised in the Public Form

The Clerk would contact South West Water and the National Grid.

8.4. Blackdown Healthy Living and Activities Centre

The Clerk advised that a further report on the trees had been requested given that one had come down naturally.

The report on the state of the riverbank in conjunction with Connecting the Culm was awaited.

8.5 The Parish Store

Councillor P Doble advised he had nothing to report.

8.6 The Commons

In the absence of Councillor Moon, no report was given but the commons had been cut.

8.7 Public Conveniences

Councillor Povah advised that despite best efforts from the Clerk and himself obtaining quotes to repair the fire damage had been extremely difficult to obtain.

The work was broken down into three areas:

1. Plumbing – approximately £100
2. Internal building repairs – approximately £750
3. Painting and decorating (to include cleaning) – approximately £2000

Giving a total cost of £3000.00

Following discussion, the following proposal was put forward

PROPOSAL: The Parish Council undertake the work to the Public Convenience using the quotes obtained

PROPOSER: Councillor P Doble

SECONDER: Councillor Clist

The Parish Council RESOLVED to have the work carried out as expediently as possible so that all toilets could be open to the public.

The Clerk had organised for blocked urinals to be cleared.

8.8 Car Park

MDDC had put the re-surfacing of the car park out to tender.

8.9 Village Maintenance

The Clerk advised that repairs had been carried out to the

- Floodbridge
- Bus Shelter

8.10 Ground Maintenance

Councillor Povah and the Clerk are putting together a document of current hourly rates for those undertaking ground maintenance in the village.

Ongoing

9. Project Reports

The Parish Council noted the Clerk's report:

9.1 Community Land (Cavanna)

Report from the Clerk

- Meeting with solicitor (Part 2)
- Meeting with Cavanna (Part 2)

9.2 Station Road Pavement

Report from Councillor Povah

- Update from solicitor (Part 2)

9.3 Connecting the Culm/DRIP

Memorandum of Understanding (cameras)

Further information was awaited from Connecting the Culm.

Floodgate at The Garages

Councillor P Doble advised that a date for fitting the floodgate was awaited.

9.4 Improvements to Longmead

The work is almost complete.

9.5 Improvements to the MUGA

Under Finance

9.6 Skatepark

Under Finance

9.7 Assistance for the Clerk

Work on the inventory is continuing. Report circulated

9.8 Longmead Carpark

Councillor Povah had finished the drawings for the car park extension and it was noted that the area at the bottom was narrow for parking cars – this could potentially be for bicycle racks.

The project would be Parish Council managed with materials bought direct and utilising existing contractors who had undertaken such works before on a man and machine basis.

Planning permission was not required.

PROPOSAL: The Parish Council undertake the works to create the new car park as economically as possible.

PROPOSER: Councillor P Doble

SECONDER: Councillor Atkinson

The Parish Council RESOLVED to have the work carried out.

9.9 Building Maintenance

A building maintenance plan had been started in 2020 but not followed. The Parish Council RESOLVED to agree the principle having a budgeted, maintenance plan for all assets and that funding may be required to achieve this.

Action: Councillor Povah/Clerk

10. Community Matters

10.1 Garages Youth Project

Councillor P Doble advised that there was nothing to report.

10.2 Hemyock Community Larder

Councillor P Doble advised that the community larder continued to attract residents.

10.3 Hemyock Day

Susan Scantlebury thanked the Parish Council for their support of Hemyock Day.

The event had broken even and work had commenced on raising funds for the next Hemyock Day that would take place on 13 June 2026.

Hemyock Day would be running a café from Longmead every Wednesday through the summer and other fund-raising events were planned.

10.4 Hemyock Lights

Susan Scantlebury advised that some committee members had stepped down and a relatively new team were taking over. For this reason the event would be scaled back in 2025 with a shorter parade and lanterns made by school children and the lighting of the star.

There would be entertainment in the churchyard.

Funding was not required but manpower to assist with the lights was sought.

It would take place on the 1st Saturday in December.

The Road Closure would be organised by the Road Wardens.

10.5 Footpaths (P3)

Councillor Povah advised that he was seeking a second PROW grant.

10.6 Community Speedwatch

Another call for volunteers would be initiated by the Parish Council.

11. Highways

The Parish Council noted the report from the Clerk as given in the agenda:

- Road Warden
Time constraints and work on other projects meant that the claim being made for equipment purchased and the cones would be undertaken in August.
- 20mph applications/speed limits
No update
- Bus routes
No further correspondence received.

DCC Highways policy on mirrors

A date for a meeting had been requested but, in the meantime, someone has replaced the mirror.

Parklands Play Area

The hedge between 2 Parklands and the Parklands Play Area. This is a double hedge with a informal path between. The Play area hedge has grown over the path and 2 Parklands hedge and is as far as touching the house, either trimmed back or may be layered to thicken up the hedge.

The Clerk would contact MDDC and DCC.

Eastlands

Councillor Povah advised that the hand rail at Eastlands required repair and was a health and safety issue. The daily rate for work was £250 and it was probably a day's work.

PROPOSAL: The Parish Council undertake the works to the handrail upon receipt of an acceptable quote

PROPOSER: Councillor P Doble

SECONDER: Councillor Ward

The Parish Council RESOLVED to have the work carried out.

Barriers

DCC had not responded to the Parish Council's request to adjust the barriers at the end of footpaths to allow for wheelchair access.

The Clerk would follow up again.

12. Police matters

12.1 Crime

The Clerk advised that there was nothing to report.

12.2 Councillor Advocate Scheme

Councillor Clist advised there was nothing to report.

13. MDDC Report

Councillor Clist gave a brief report regarding on the safeguarding of councillors.

14. DCC report

Councillor Clist advised he had spent a day with the Neighbourhood Highways Officer. Funding was an issue and priority was being given to major safety defects.

15. Public Relations

Public relations and social media

In the absence of Councillor Talbot, no report was given.

Social Media Policy

In the absence of Councillor Talbot, approval of the revised Social Media Policy would be carried over to the next meeting.

Report from Clerk

The gov.uk domain has been purchased.

Woodquist has actioned the change of domain name for website.

Email addresses were being set up.

16. Clerk Update/Correspondence

Maintenance of the park below Lower Millhayes

No update received

Station Road Drainage

Ongoing

Emergency Plan

This is a work in progress and will require an Open Meeting for residents. The 2012 Emergency Plan has been circulated to councillors.
